Synopsis: To close case.

Details: On September 16, 2011, the Cyber Division received reporting on protests planned for the "Day of Rage" and "Occupy Wall Street", September 17, 2011. On September 17, 2011, Protestors were to set up tents and barricades in an effort to occupy Wall Street for two months in protest of the corrupt influence Wall Street exudes over the United States Government and its citizens. "Day of Rage" is a separate non-violent civil disobedience campaign initiated by anarchists to encourage events in New York, San Francisco, Los Angeles, Madison, Wisconsin, and other cities around the world such as Tokyo, London, Frankfurt, Madrid, Sydney, and Toronto.
